## Application

In order to cover the costs of processing applications, a single **\$150 application fee** must be submitted with each child's application. This is non-refundable and doesn't guarantee you a spot or a position on our waitlist.

## Annual Registration

To help with building maintenance, supplies, toys, play equipment, staffing, and all the fun things that are required to operate an amazing center and provide your children with the best learning experiences, there is an annual **\$150 registration fee**. Please **submit at the same time as your deposit amount**. Returning families will be billed the additional \$150 registration fee on the first month of the new school year (September 1st).

## Deposit

In order **to secure your spot, we must receive your deposit within 3 business days** of being offered a spot. The deposit amount is **equal to one month of your tuition at the age your child currently is upon enrolling**. The deposit will roll over year to year of your attendance and be applied to your last month or months of attendance.

\*If your rate changed during your child's attendance as they aged into different programs, the deposit will also go towards part of the 2nd to last month.

## Payment Types

We use ProCare to process payments. We encourage you to set up ACH/EFT (electronic funds transfer) from your checking or savings account with the convenience of automatic payments. ProCare also accepts additional payment methods which you are welcome to use. Additional processing fees for payments, such as but not limited to credit card fees, are the purchaser's sole responsibility.
