

2026 - 2027 School Year Fees, Tuition Schedule, and Payment Options

Touring

We love to show our school to everyone. Of course, operating tours is time consuming. To help balance this cost, there is a **\$10 touring fee** which must be submitted prior to your tour, via zelle, to director@blueleafschool.com, check made out to Blue Leaf School, LLC., or cash in a clearly labeled envelope handed directly to our director. We look forward to showing you our space!

Application

In order to cover the costs of processing applications, a **\$150 application fee** must be submitted with each child's application. This doesn't guarantee you a spot or position on a waitlist, but your child is added to our pool of applicants.

Registration

Once your child is offered a spot, a one time **\$75 registration fee** is required to cover enrollment costs and must be **received within 3 business days** of being offered a spot.

Deposit

In order **to secure your spot, we must receive your deposit within 3 business days** of being offered the spot. The deposit amount is **equal to one month of your tuition at the age your child currently is upon enrolling**. The deposit will roll over year to year of your attendance and be applied to your last month or months of attendance.

*If your rate changed during your child's attendance as they aged into different programs, the deposit will also go towards part of the 2nd to last month.

Annual Materials

To help with building maintenance, supplies, toys, play equipment, staffing, rising food costs, and all the fun things that are required to operate an amazing center and provide your children with the best learning experiences, there is an **annual \$170 material fee**. Please **submit at the same time as your registration and deposit amount for new students**. Returning families will be billed annually for the \$170 material fee on the first month of the new school year (September 1st).

Payment Type

We use ProCare to process payments. We only accept ACH/EFT (electronic funds transfer) from your checking or savings account with the convenience of automatic payments.

*Please note, ProCare offers additional payment methods which Blue Leaf School does not use due to payment fees. Any additional processing fees for payments, such as but not limited to credit card or debit card fees, are the purchaser's sole responsibility and will be billed accordingly.

We understand things happen and life changes. If you're considering not accepting your spot with us in the fall, please let us know in writing to **director@blueleafschool.com** **by Friday, June 19th, 2026 at 5:00pm** to be released from further financial responsibility beyond forfeiture of your non-refundable application and deposit fees.

Refunds

No matter the reason, refunds are never issued for tuition, deposit, materials fee, slot hold fee, late fee, sign in/out fee or any other fee, in order to ensure we provide your child and family with top quality care, good student to teacher ratios, healthy foods, and a safe environment. No closure, external force or act of God will warrant a refund. The one and sole exception to this rule, you may request up to \$125 refund of the application fee if your child has not been offered a spot within 6 months of Blue Leaf receiving the application fee. Any refund request of the application, must be in writing, and will remove your child from our pool of applicants. If a family requests to be removed from consideration, any future interest would require submission of a new application and new payment of the full \$150 application fee again. The \$25 amount not refunded, will be forfeited upon request of the Application Fee refund. Please note, it can take anywhere from 1 day to 2 years before a spot becomes available and we work hard to place children as quickly and efficiently as possible.

Late Pick-Up

If your child is not signed out by the scheduled pick up time for the program your child is enrolled in, you will incur a \$25.00 Late Fee upon the first instance. Upon the second instance, you will incur a \$50.00 Late Fee + \$5.00/minute you are late. After the third instance, you will incur a \$50 Late Fee + \$5.00 for every minute you are late, and we will have a meeting to discuss the fit for the program. These fees will be applied to your account and must be paid by the 1st of the following month.

Sign-in and Sign-out

The Authorized pickup person is required by law to sign your child in and out of care. Blue Leaf uses ProCare to track sign-in and sign-out. Signing in and out can be done from your personal mobile device, a classroom iPad, or via the online ProCare web app. **Failure to sign in or sign out, will result in a \$25 fee per occurrence.** All fees from failing to sign your child in or out will be billed through your ProCare account.

Our Commitment to Equitable Education for All

Blue Leaf School is dedicated to ensuring every child has access to quality education, regardless of financial background. We offer financial support through Universal Pre-Kindergarten (UPK) and the Colorado Child Care Assistance Program (CCAP), and we actively work with families on an individual basis to provide additional scholarships and discounts for those facing financial hardships. Complete an online application through Clarity and contact us directly to discuss how we can assist your family.

Slot Hold

We understand families are not always ready to immediately enroll when a spot becomes available. After a child is offered a space at Blue Leaf® School, families may elect to reserve the offered placement for a future start date if unable to begin within five days of the offered date.

A Slot Hold Fee is required to hold the space and remove it from availability.

The Slot Hold Fee applies only after space is accepted and child has been formally enrolled *(Signed contract, deposit, registration and materials fee all submitted)
It is non-refundable and not applied to tuition under any circumstance.

The amount is based on the length of time the space is held and will be prorated for number of calendar days held in the year. Due to the large discounted amount being offered to hold the spot, we base the entire spot hold fee on the age the child is upon enrollment and the date the spot was offered. The slot hold fee will not adjust if your child ages up during the time the spot is being held.

Slot Hold Fee Schedule:

*We count and use all calendar days including holidays and weekends when calculating the slot hold fee.

Up to 30 days : 30% of total tuition amount

31-60 days: 35% of total tuition amount

61-90 days: 40% of total tuition amount

91-120 days: 70% of total tuition amount
